

Dear Commissioners:

Stop hidden phone fees so I can truly compare prices of phone services. I support the petition filed by the National Association of State Utility Consumer Advocates and endorsed by other consumer advocacy organizations. CG Docket No. 04-208, Petition for Declaratory Ruling Regarding Truth-In-Billing and Billing Format, is long overdue.

Phone bills should be truthful and easy to understand. WHEN WE HAD "MA BELL" PHONE SERVICE WAS BETTER, AND MUCH LESS IN COST. BREAKING HER UP WAS NOT A GOOD THING. FREE PHONES, MA BELL TOOK CARE OF ANY PROBLEMS, WAS MORE CUSTOMER SERVICE ORIENTED-COURTIOUS. PHONE SERVICE NOW IS LIKE EVERYTHING ELSE, GET EVERY PENNIE ANDYWAY YOU CAN FROM PEOPLE, NO SERVICE, EXCEPT FROM COX CABLE--THANK GOODNESS-AND ALL THESE COMPANIES MERGE AND WITH THEIR MONEY AND CLOUT THE MULIPULATE THE GOVERNMENT. THE U.S. GOVERNMENT IS RUN BY BIG BUSINESS, NOT THE PEOPLE OF THE U.S.

Because this practice is tolerated by the FCC, long distance and wireless phone companies are able to hide the true cost of service. These add-ons make the advertised price of service significantly less than the amount of the check I have to write each month to pay the bill. Competition will not work if consumers cannot accurately compare prices when shopping for service.

Many states are stepping up to address this problem. They should be allowed to proceed. However, the FCC shouldn't shirk its responsibility, nor limit states from doing more.

The FCC should immediately grant the NASUCA petition to investigate billing practices, and prohibit phone and wireless companies from imposing separate monthly fees, line items or surcharges unless expressly mandated by law or the charge is expressly authorized by a governmental authority.
